

Drees & Sommer AG

POINT (9.0822112 48.7303549)

Drees & Sommer: Competent and successful for our clients, independent of third parties!

Whether structural or [infrastructure measures](#), [project management](#), [real estate consulting](#) or [engineering](#): About 2,000 employees work for the success of our customers at 38 international and representative locations. Drees & Sommer has been following a consistent path for more than 45 years. And this path has a name: "*the blue way*". Focused on profitability, but as sustainable as possible!

Drees & Sommer and EPEA Internationale Umweltforschung Hamburg are jointly committed to Cradle to Cradle®, bringing principals, investors, architects and manufacturers together to promote the approach.
